Mono Laser Printer

HL-2230

The Brother™ HL-2230 monochrome laser printer offers fast printing at up to 24 pages per minute and high-quality output for producing crisp, professional letters, reports, spreadsheets and other documents. Its stylish, space-saving design complements virtually any environment. In addition, the HL-2230 offers convenient paper handling via an adjustable, 250-sheet capacity tray.

Compact Monochrome

Laser Printer for Homes or Home Offices

- Fast laser printing. Helps improve your productivity with a print speed of up to 24ppm.
- High-quality output. With a print resolution up to 2400 x 600 dpi, the HL-2230 produces professional-looking output with crisp text and excellent graphics.
- Stylish, compact design. Features a small footprint that helps save valuable workspace.
- Convenient paper handling. The HL-2230 monochrome laser printer can meet all of your printing needs via an adjustable 250-sheet capacity paper tray that handles letter or legal size paper and a manual feed slot for printing envelopes and letterhead.
- Straight-through paper path. A manual feed slot and rear paper exit provide a straight-through paper path to ensure that all of your printed materials always look their best.
- Toner Save mode. Use less toner and save money by using Toner Save mode for your less critical business documents.
