## WIRELESS INKJET PRINTER PIXMA MX512

Model#: 5784B020

Bring excellent quality, speed, and ease of use to your home office all in the name of increased productivity. This begins with built-in Wi-Fi® for printing and scanning virtually anywhere in your home from computers and compatible mobile devices. This also includes AirPrint, which lets you wirelessly print photos, emails, web pages, documents and more from compatible iPad, iPhone or iPod touch devices to a compatible Canon PIXMA Wireless All-In-One. An integrated 30-sheet Auto Document Feeder, built-in Auto Duplex Printing, a Dual Function Panel, and FastFront are just some of the features that can allow you to easily multi-task while your PIXMA MX512 is at work. This can bring office efficiency to all-new levels and reduce cost at the same time.

4800 x 1200 maximum color resolution and the FINE Cartridge System means superb business document printing and efficiency while built-in imaging technology ensures the integrity of originals are preserved with each copy and scan. Maintain security standards by utilizing features to prevent misdialled fax transmissions and keep scanned files password protected.
