### **Fujitsu ScanSnap S1300i PA03643-B005 Mobile Scanner**

Bring the availability of fast and reliable scanning performance to almost anywhere with the Fujitsu ScanSnap S1300i PA03643-B005 Mobile Scanner. Business travelers will surely love its portability, allowing them to digitize different documents, receipts, or cards. It possesses advance features similar to those enterprise class desktop scanners like Duplex Color Scanning. It is ready to scan your files up to 600 x 600 dpi resolution for supreme soft copy quality. Also, a Built-In Automatic Document Feeder is present, making it a great backup for desktop scanners as it makes on-the-go scanning easier. You can even connect this scanner reliably to your systems, thanks to its USB 2.0 interface. Choose the Fujitsu ScanSnap S1300i PA03643-B005 Mobile Scanner today!

### **What It is And Why You Need:**

- Mobile Scanner; delivers fast and portable scanning performance up to 600 x 600 dpi resolution
- Duplex Color Scanning; offers double-sided scanning quality
- Built-In Automatic Document Feeder; makes on the go scanning much handier
- USB 2.0 interface; ensures stable connection to your system
