

HL-UV8R Double Segment Multi-function Walkie Talkie with 128 Channels/ Hands- Free Vox/ FM Radio - Black

Main Features:

- 128 Channels
- HI/MID/LO power output
- Low battery alert
- Hands-free vox
- FM-radio function

- Power-on password protection

Specifications:

Frequency range	136-174MHz 200-260MHz	400-470MHz 470-520MHz
Workable temperature range	-20 del.C to 60 del.C	
Channels	99 memory channels +0 channel	
Working method	Same frequency or different frequency	
Exterior size	117 x 56 x 39 cm	

Weight	202 g (including battery pack)
Output power	7W
Modulation mode	FM (F3E)
Max frequency difference	<+/-5KHz
Residual radiation	< -60dB
Transmit electric current	<=1.5A
Frequency stability	+/- 2.5ppm
Squelch sensibility	< 0.18uv
Audio frequency output	>= 400MW
Standby electric current	46mA (20mA under saving mode)
Package weight	0.5 kg
Package size (L x W x H)	24 x 17.5 x 6 cm

○

Package Content:

- 1 x Walkie Talkie
- 1 x Battery
- 1 x Antenna
- 1 x Charging Socket
- 1 x Manual
