HP 8600 CM749A Officejet Pro e-All-in-One Color Inkjet

Enhance the productivity and the workflow in your office with the HP 8600 CM749A Officejet Pro e-All-in-One Color Inkjet. This machine is an inkjet printer that presents itself as an economic solution for your office's printing needs. The HP 8600 CM749A Officejet Pro e-All-in-One Color Inkjet produces prints of about 4800 x 1200 dpi (for colored prints) and 1200 x 600 dpi (for black and white). The machine can print up to 25000 pages per month, which is a very impressive number considering the amount of print demands that a regular office setup generates. The HP 8600 CM749A Officejet Pro e-All-in-One Color Inkjet has a processor that can operate with a memory rate of 360MHz, so you can enjoy quick print operations.

What It Is And Why You Need It:

- Inkjet; it is a very economic print method
- 4800 x 1200 Optimized DPI Color, 1200 x 600 dpi; this kind of print output produces optimal results
- 32 ppm; it is a very fast print speed that you will enjoy in terms of time-efficiency
- Color and Black & White; the printer offers you flexibility in choosing the print output that you need
- 25,000 Pages Per Month; the machine can produce a lot of prints on a monthly basis
- 360MHz; the printer lets you enjoy ultra-fast print data processing

HP Officejet Pro 8600

Wireless e-All-in-One Color Inkjet Printer

Produce professional color for up to 50% lower cost per page than lasers and accelerate productivity with apps on the large touchscreen, networking options and versatile e-all-in-one performance. Easily print from a mobile device with HP ePrint.

Professional color for up to 50% lower cost per page than lasers

- Print professional color for up to 50% lower cost per page than lasers, and get a better value for frequent printing.
- Print documents that resist fading, water and highlighter-pen smears, using HP Officejet inks.
- Achieve ISO print speeds up to 18 ppm black and 13 ppm color, using affordable, individual inks.
- Depend on a printer with a 25,000-page monthly duty cycle—the perfect fit for reliable color printing.

Efficient Web connectivity—even print on the go

- Print from a variety of mobile devices on the go. With HP ePrint—now you can print from virtually anywhere.
- Use the intuitive touchscreen to access business apps, plus quickly print and store files.
- Easily view and print photos from a USB drive and memory cards.
- Stay connected—share on a wireless or wired network.

Exceptional energy and resource savings

- Use up to 50% less energy than lasers with this ENERGY STAR® qualified printer, and preset On or Off times.
- Easily recycle cartridges, and use up to 70% less supplies and packaging by weight compared with lasers.
- Consume up to 50% less paper while printing, using automatic two-sided printing.
- Use Original HP ink cartridges for quality, reliability and rewards.

Standout versatility with copy and scan solutions

- Create and print a one-sided copy of a two-sided ID, and use the CopyCrop tool to modify copies at the touchscreen.
- Automatically print two-sided documents, and decrease intervention with the 250-sheet paper tray.
- Improve workflow—send quick faxes and scan documents to a PC, network folders, or more.
- Create borderless, double-sided flyers and brochures, plus print impressive business photos.

A Closer Look:

Professional color, economical price

- Get great-looking color for a cost per page of up to 50% lower than with lasers, and get better value with frequent printing
- Resist fading, water and highlighter-pen smears when using HP Officejet inks
- Print at ISO speeds up to 18 ppm black and 13 color when using our affordable individual inks
- Rely on the 25,000-page monthly duty cycle

Efficient Web connectivity and on-the-go printing

- Print from virtually anywhere, and from a variety of mobile devices, using HP ePrint
- Use the intuitive touchscreen to access business apps, plus print and store files
- View and print photos from a USB drive and memory cards
- Stay connected by sharing on a wired or wireless network

Easy copying and scanning

- Get flawless copies with the CopySmart feature
- Print a one-sided copy of a two-sided ID card
- Decrease intervention with the 250-sheet paper tray
- Improve workflow: send quick faxes and scan documents to a PC or e-mail
- Create borderless, double-sided flyers and brochures, plus print impressive business photos

Energy and resource saver

- Reduce energy use by up to 50% compared with laser printers with this ENERGY STAR® qualified printer and preset on/off times
- Use up to 70% less in supplies and packaging by weight, compared with laser printers
- Automatically print two-sided with the automatic document feeder; cut your paper use in half

- Recycle your cartridges—it's free and easy10
