

Samsung Galaxy Tab 2 10.1 Tablet - Android 4.0 Ice Cream Sandwich, Dual-Core 1GHz Processor, 10.1" Touchscreen, 16GB Flash Memory, WiFi, Dual Webcams

Samsung Galaxy Tab 2, 10.1 Tablet

Get an amazing multimedia experience anywhere you go when you purchase the Samsung Galaxy Tab 2 10.1 Tablet! The Samsung Galaxy Tab 2 is built on the Android 4.0 platform, providing you with better multitasking options and an improved user interface. It features a large 10.1-inch touch screen that displays your tablet's content with outstanding detail. It also weighs only 1.28 pounds, allowing you to carry it around with ease. Its Dual-Core 1GHz processor delivers impressive computing speeds that lead to better response times from your various apps, and its 16GB expandable flash memory gives you enough space to save all your emails, photos, and other files. It complies with 802.11b/g/n standards for fast and stable wireless connections and its Bluetooth capability allows secure file transfers between

your other Bluetooth enabled devices. It also has front and back cameras that enable you to easily share whats going on around you. Purchase the Samsung Galaxy Tab 2 10.1 Tablet now!

What It Is And Why You Need It:

Samsung GALAXY Tab 2
10.1

The Perfect TV Companion.

With Smart Remote and built-in IR Blaster, you can watch and control your TV content right from your tablet. Browse the web and watch thousands of movies, TV shows and games wherever you are via WiFi. Plus, enjoy a big performance from the 10.1" screen, and the most powerful Android™ platform yet — Ice Cream Sandwich.

Control, Watch and Share Content with Your TV.

The perfect TV companion. Control your TV, multitask on the web while watching and take your shows with you around the house.

Your Movies, Videos and Games Will Come Alive.

Everything's more exciting on a bigger screen. Browse the web, explore over 450,000 apps via Google Play Store™ and access thousands of TV shows and movies over WiFi.

Built to Power Your Entertainment.

A big 10.1" entertainment machine. The Galaxy Tab 2 (10.1) is powered by Android™ 4.0, Ice Cream Sandwich, a dual-core processor with a microSD™ card slot and more.

SAMSUNG

Control, Watch and Share Content with Your TV.

The perfect TV companion. Control your TV, multitask on the web while watching and take your shows with you around the house.

- The Smart Remote and built-in IR Blaster turns your tablet into a universal remote, helping you easily find your favorite shows
- Multitask with your TV by changing channels and browsing the web on your tablet at the same time
- Watch anywhere in the house. Share Tab content with your TV or other DLNA®-enabled devices with AllShare™

Your Movies, Videos and Games Will Come Alive.

Everything's more exciting on a bigger screen. Browse the web, explore over 450,000 apps via Google Play™ Store and access thousands of TV shows and movies via WiFi.

- Choose from over 450,000 apps, surf millions of web pages and access and carry your favorite movies and TV shows with you
- Instantly access the latest movies or TV shows with Samsung Media Hub
- Access up to 50GB of your favorite content in Dropbox™, free for the first year

Built to Power Your Entertainment.

A big 10.1" entertainment machine. The Galaxy Tab 2 (10.1) is powered by Android™ 4.0, Ice Cream Sandwich, a dual-core processor with a microSD™ card slot and more.

- Android™ 4.0, Ice Cream Sandwich allows for easy multitasking and customizable home screens
- Fast dual-core processor opens programs and web pages seamlessly
- The microSD™ card slot gives you the freedom to add more storage or easily transfer music and pictures
