Lite-On eNAU108-111 Ultra Slim Portable DVD Writer

Use the Lite-On Ultra Slim Portable DVD Writer and get an effective way of sharing your videos and music files. This elegant black DVD Writer is meant for external use and makes copying and burning of your files much easier. Weighing less than 0.5 lb, you can take it along with you wherever you go. Supporting USB technology, this plug & play device can be connected to any port in your PC or Netbook to get started without the need of any additional wire and power adapter. It goes well with all common DVD and CD formats including CD-R, CD-RW, DVD-RAM, DVD±RW and others. With DVD+/-R 8X, DVD+RW 8X, DVD-RW 6X, DVD+/-R DL 6X, DVD-RAM 5X, and CD-R/RW 24X write speeds, it guarantees speedy transfer of pictures and digital files. Also featuring Smart-Burn™, it ensures exceptional writing quality every time you burn a file. Purchase the Lite-On Ultra Slim Portable DVD Writer right away.

What It Is And Why You Need It:

- USB powered: integrates immediately to your netbook, notebook, and PC
- Write Speeds; supports DVD+/-R 8X, DVD+RW 8X, DVD-RW 6X, DVD+/-R DL 6X, DVD-RAM 5X, and CD-R/RW 24X speeds
- Compatibility; works with all DVD and CD formats including DVD-RAM
- Smart-Burn™; for superior writing quality

Lite-On eNAU108-111

Ultra Slim Portable DVD Writer

Creating and sharing your favourite videos, music, pictures, and digital files couldn't be any easier with the eNAU108-111. The eNAU108-111 is a slim and super lightweight design DVD/CD writer. Weighing less than 0.5 lbs, and USB powered, makes it extremely portable and is a perfect travel companion with your netbook and notebook.

SHARE YOUR MEDIA WITH TV

Connect to your TV's USB port, press a button, then use the simplicity of Link2TV and your TV's media player to bring great memories, pure joy, and fun celebrations to your TV screen.

TWO MODES - ONE CONVENIENT DRIVE

- Connects to TVs to access your discs and view their contents on the TV screen
- Connects to laptops and PC to use as external drive for file burning, disc accessing, or DVD viewing

USB POWERED, NO ADAPTERS NEEDED

The drive can be powered through any USB port of your PC, Notebook, or Netbook. All you need is a USB cable, no extra power adapter is needed. Take eNAU wherever you go.

SMART BURN™

Lite-On's exclusive SMART Burn™ uses intelligent write monitoring technology to automatically adjust the recording parameters and power level in real time which helps provide the best burning results. SMART Burn™ also prevents buffer under errors guaranteeing successful burns and the best write quality.

SLEEK AND LIGHTWEIGHT

Weighs less than 0.5 lbs, the eNAU108-111 is a slim and lightweight writer wrapped in an elegant black or white case, making it a perfect companion to keep at home, in the office or on-the-go.

COMPATIBLE WITH ALL DVDs/CDs

The new eNAU is compatible with the most common DVD and CD formats in the market today, including DVD+R, DVD-RW, DVD+RW, DVD-RW, DVD+R9, DVD-RAM, CD-R, and CD-RW, minimize disc format confusion.

SMART-X™

SMART-X automatically adjusts the read speed based on the quality of the disc to ensure the highest accuracy for data and track reads.
