●Print Speed: Up to 47 ppm - B/W ¦ Up to 47 ppm - color
●Built-in Devices: Touch screen
●Preview Screen Size: 4.3"
●Connectivity Technology: Wired
●Interface: USB, Gigabit LAN
●Max Resolution (B&W): 2400 x 1200 dpi
●Max Resolution (Color): 2400 x 1200 dpi
●Automatic Duplexing: Yes
●PostScript Support: Standard
●First Print Out Time B/W: 7 sec
●First Print Out Time Color: 8 sec
●Language Simulation: PCL 5C, PostScript 3, PCL 6
●Fonts Included: 173 x PostScript ¦ 94 x PCL
●Color Management Features: ICC Color Profiles, Apple ColorSync, PANTONE Digital Color
●Media Handling: 150-sheet multipurpose tray, 550-sheet input tray

Processor
●Processor: 1.25 GHz

RAM
●RAM Installed (Max): 1 GB / 2 GB (max)

Media Handling
●Media Type: Envelopes, transparencies, labels, plain paper, glossy paper, heavy-weight paper, cards, recycled paper
●Min Media Size (Custom): 3 in x 5 in
●Max Media Size (Custom): 8.5 in x 14 in
●Media Sizes: Letter A Size (8.5 in x 11 in), Legal (8.5 in x 14 in), 3 in x 5 in
●Media Weight: 60 g/m2 - 220 g/m2
●Total Media Capacity: 700 sheets
●Media Feeder(s): 1 x autoload - 550 sheets - Legal (8.5 in x 14 in) weight: 60 g/m2 - 220 g/m2 ¦ 1 x autoload - 150 sheets - Legal (8.5 in x 14 in) weight: 60 g/m2 - 220 g/m2
●Max Media Capacity: 2900 sheets

●Output Trays Capacity: 500 sheets

Duty Cycle
●Monthly Duty Cycle (max): 120000 impressions

Networking
●Networking: Print server
●Data Link Protocol: Ethernet, Fast Ethernet, Gigabit Ethernet
●Network / Transport Protocol: SMTP
●Remote Management Protocol: SNMP 3, HTTPS
●Security Protocols & Features: Apple Bonjour, IPsec, 802.1x, IP filtering, SSL 3

Expansion / Connectivity
●Connections: 1 x USB 2.0 - 4 pin USB Type B ¦ 1 x Gigabit LAN - RJ-45

Miscellaneous
●Consumables Included: 1 x toner cartridge (black) - up to 7100 pages ISO/IEC 19798 ¦ 1 x toner cartridge (cyan) - up to 5000 pages ISO/IEC 19798 ¦ 1 x toner cartridge (magenta) - up to 5000 pages ISO/IEC 19798 ¦ 1 x toner cartridge (yellow) - up to 5000 pages ISO/IEC 19798 ¦ 1 x drum (black) - up to 50000 pages ¦ 1 x drum (cyan) - up to 50000 pages ¦ 1 x dru
●Compatible with Windows 7: "Compatible with Windows 7" software and devices carry Microsoft's assurance that these products have passed tests for compatibility and reliability with 32-bit and 64-bit Windows 7.
●Compliant Standards: GOST, UL 60950-1, FCC Part 15 A

Power
●Power Device: Power supply - internal
●Voltage Required: AC 120 V
●Frequency Required: 50/60 Hz
●Power Consumption Operational: 637 Watt
●Power Consumption Stand by / Sleep: 116 Watt

Software / System Requirements
●Software Included: Drivers & Utilities
●OS Required: HP-UX 11.0, Novell NetWare 5.x, Novell NetWare 6.x, Microsoft Windows XP, HP-UX 11i, Microsoft Windows Server 2003, Microsoft Windows 7, Red Hat Enterprise Linux 4, Novell Open Enterprise Server, Microsoft Windows Vista, Apple MacOS X 10.5 or later, Red Hat Enterprise Linux 5, Microsoft Windows Server 2008, Red Hat Fedora Core 11, Red Hat Fedora Co

Environmental Standards
●ENERGY STAR: Yes

Manufacturer Warranty
●Service & Support: 1 year warranty
●Service & Support Details: Limited warranty - 1 year - on-site

Environmental Parameters
●Min Operating Temperature: 50 °F
●Max Operating Temperature: 89.6 °F
●Humidity Range Operating: 10 - 85% (non-condensing)
●Sound Emission (Idle): 26 dBA
●Sound Emission (Operating): 59 dBA

Dimensions & Weight
●Width: 22 in
●Depth: 20.3 in
●Height: 16.9 in
●Weight: 93 lbs

Dimensions & Weight (Shipping)
●Width (Shipping): 27.4 in
●Depth (Shipping): 29.8 in
●Height (Shipping): 22.4 in
●Weight (Shipping): 110 lbs

How Much Do Cartridges Print?

Everyone wants to make the right decisions when buying printing supplies. Reliability, print quality, print speed and ease of use typically are the most important considerations, but comparing costs is also very important. You want products that deliver on their promise! But how do you tell how much a cartridge can print? The good news is that there are international standards that allow us to compare Apples to Apples!

Got Print Media For Your Printer?

What is Print Media? Print media consists of paper, envelopes, cardstock, overhead transparencies, and labels that are used with printers. Basically, Print Media is anything you print on.

Printers are characteristically required to handle print media of various paper types. When it comes to choosing the right media (paper) for the job, consider two key factors: the type of document you plan to create and the technology you plan to use. Image and overall document quality depends on using the correct paper type for the particular printing job and the equipment to be used.

More 5-star Reviews
Than Any Other Warranty

Benefits of a SquareTrade Warranty

5-Day Service Guarantee: We'll repair your product within 5 days of receiving it at our service depot, guaranteed! No more waiting around or wondering. (See below for details.)

All Parts & Labor Covered: If something ever goes wrong with your product, you won't pay a penny more to get it fixed.

No Hidden Fees or Deductibles: Add a SquareTrade warranty to your shopping cart now, pay once, and that's it.

Free Shipping or In-Home Service: For portable electronics, your device ships free to our service depot. Laptops receive express shipping. And for desktops and large TVs, we'll schedule in-home repairs at your convenience. Then we pay the repair facility directly.
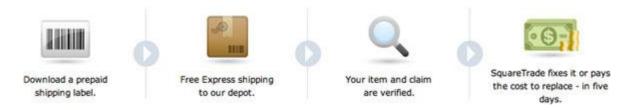

24/7 Customer Support: If something goes wrong, our experienced Warranty Service Specialists are available to help you any time, day or night.

Transfer or Cancel Anytime: Selling your product? Or not convinced? Transfer your warranty to a new owner or get your money back – 100% hassle free.

Accidental Damage (ADH) Protection: Did your laptop take a tumble off the table? Dunk your camera in your coffee? Get pushed in the pool with your MP3 player? No problem! SquareTrade has got you covered. With the ADH option, your device is protected against drops, cracks, and liquid spills – including full immersion!

How Our Five-Day Service Guarantee Works

SquareTrade's claim process is painless. Start a claim online or over the phone. Express shipping is free to and from SquareTrade's depot, and you'll be sent a special shipping box for fragile electronics. You'll receive email updates at every step in the process so you'll never be left in the dark:

Download a prepaid shipping label. ▶ Free Express shipping to our depot. ▶ Your item and claim are verified. ▶ SquareTrade fixes it or pays the cost to replace - in five days.

Five-Day Service Guarantee: SquareTrade will reimburse the full item price or fix your item and ship it back within five business days of receiving it at the depot, or your care plan is free. For large items with in-home service, a local technician will contact you to schedule service within five business days of claim approval (Since in-home service is dependent on the customer's schedule, repair times are not guaranteed within five days).

Return Policy
